## UPMRA Signs Jazz Great, Thurl Bailey as Keynote Speaker Oct 26th!

**On Thursday, October 26th** in St. George, Utah, join UPMRA members in welcoming Jazz great, Thurl Bailey to the UPMRA 2023 Convention & Trade Show at the Hilton Garden Inn.

At our keynote lunch, hear the inspiring words of Thurl Bailey on how to win, whatever the odds or disappointments.

A master storyteller, Thurl Bailey, #41 for eight years with the Utah Jazz, who twice led teams from far behind to win national championships, now helps companies and individuals focus on what matters most: to persevere, build winning teams, encourage peak performance, develop leadership and discover opportunity in change.

Book signings, autographs and photos will conclude his presentation.

Register today at <https://www.wpma.com/utah/convention>.

**More Convention Excitement and Education ...**

### UPMRA Jeep Safari

New for 2023, join our Jeep Safari on Wednesday afternoon (10/25), exploring Indian Spring Trail after a trailside lunch.

Wednesday evening, mingle with members and associates at a BigShots Golf Pickup Party where everyone is welcome after the opening reception.

In addition to Jazz great Thurl Bailey, we have prescient education from Zions Bank Economist, Robert Spendlove, an EV Infrastructure Charging update from ChargePoint, and more.

Convention Golf is Friday, October 27th at the beautiful Southgate Golf Club (located off Dixie Drive and I-15 near Bluff Street).

In keeping with our tradition of giving a unique giveaway to each golfer, this year, attendees will receive a pair of NoNoise wireless headphones with exceptional sound quality and long battery life.

And prize money for team awards is going up, up, up in value; separate raffle tickets will be offered to win raffle prizes awarded at our lunch buffet following the round of golf; and everyone gets a goodie bag, continental breakfast and a shot at the Eaton \$10,000 Hole in One!

Go to UPMRA's home page <http://www.wpma.com/utah> for the entire Convention schedule!

### DEQ's Therron Blatter speaking at October Convention

Therron Blatter with Utah's DEQ will be the kickoff speaker at the UPMRA Convention & Trade Show on October 26th, providing attendees with a Petroleum Storage Tank program overview, now that ASTs are on the fund. Therron will also reveal a simplified AB Operator Training certification exam plan and other DERR proposals. You can also talk with DEQ staffers during Thursday's afternoon Trade Show.

## Motor Fuel Tax Decals Available!

*The State Legislature* reduced fuel taxes by 2 cents, effective **July 1, 2023**, and while there is no law requiring retailers to post fuel tax decals on their pumps, UPMRA's Fuel Tax Decal program was successful with members in 2015 and in 2019, so the executive committee decided to print new fuel tax decals for distribution by July 1, 2023. Stickers are available for counties with and without the additional ¼ cent sales tax, and white decals for retailers with contracts disallowing colored decals on pumps.

### Utah Motor Fuel Tax Decals Available!

There is no law requiring retailers to post fuel tax decals on their pumps, but the UPMRA board of directors are offering complementary Fuel Tax Decals. Decals are available for counties with and without the additional ¼ cent sales tax.
